71. Village Hall Finances

Discussion was had as to the best method of funding this project. Cllr Nicholson suggested that although there is funds in the Parish Council's bank accounts, the VHMC look into Viridor Grants to see what is available to support the project. Cllr Sladden offered to help with the paperwork as has had previous experience. Cllr Watt expressed concerns that the grant application process may slow the project down significantly. Also that there is adequate funds in the bank to fund this independently, without the need for support grants.
